**Collection Agency**

Appriss Health

**Frequency of Reporting**

- Each dispenser must submit the required data to the data repository no later than the close of the next business day after the prescription is delivered; however, dispensers are encouraged to report the information no later than 24 hours after the prescription was delivered.
- Reporting required is the dispense is for more than a 48-hour supply
- A dispenser is not required to report Schedule V non-narcotic controlled
- when prescribed according to indications approved by the US FDA.

**Is Zero-Fill Reporting Required?**

Yes
