Bamboo Health

Frequency of Reporting

The Virginia PMP requires all dispensers to report covered substance dispensations to the Virginia PMP via PMP Clearinghouse. Dispensations must be reported within 24 hours or on the dispenser’s next business day after dispensing the prescription.

Is Zero-Fill Reporting Required?

Yes. (Required weekly)

Required Information

Gabapentin in all forms and strengths is considered a Scheduled V controlled drug in VA and is subject to PMP reporting.

Owner last Name	OwnerDI
